

NOTICE OF FUNDING AVAILABILITY

Robust Retail Citywide

Updated 4/12/2022

The Department of Small and Local Business Development (DSLBD) is excited to announce that we will be accepting applications for the **2022 Robust Retail Citywide grants starting April 25, 2022 and closing June 8, 2022 at 2 pm eastern.**

A robust retail sector is critical to maintaining the vibrancy of DC neighborhoods, but due to market realities of the past years, retail businesses are under threat of business decline and closure. The 2022 Robust Retail Citywide grant(s) support existing DC-based retail businesses maintaining operations and viability during the current small business crisis.

DSLBD intends to award up to \$7,500 per business to approximately 78 businesses from the total \$588,000 in available funding for Fiscal Year 2022. This grant will be operated as a reimbursement grant, awarded via lottery, to DC retail businesses that have met all eligibility requirements by the final deadline. Businesses that received a Robust Retail Citywide award in FY2021 are not eligible to apply.

Final Deadline

The absolute final deadline to apply online is June 8, 2022, at 2:00 p.m. eastern, no exceptions. Applications will only be accepted through the online application system listed in the Request for Applications (RFA) on DSLBD's website.

Who can apply?

Only for-profit consumer-facing, small and independent retail businesses with fewer than 25 full-time employees (FTEs), with a licensed retail location in DC are eligible for Robust Retail Citywide Grants. Home-based, online-only, and non-profit businesses are not eligible for this grant opportunity. Applicants must be compliant with the Office of Tax & Revenue's Clean Hands requirements, be licensed as a retail business in the District, and be actively operating during fiscal year 2022.

NOTICE OF FUNDING AVAILABILITY

How can the funds be used?

The funding may be used to reimburse for expenses the agency deems reasonable to support maintaining business viability between October 1, 2021 and June 8, 2022. Examples of allowable and disallowed uses are detailed in the full Request for Applications (RFA) available on DSLBD's website during the application period.

How will awardees be selected?

Grant recipients will be selected through a lottery process, with a mechanism for ensuring at least half of the grants are evenly distributed across all 8 DC Wards. All applications deemed eligible and received by or before the deadline will be entered into the lottery system.

The Director of DLSBD will make the final approval of grant awards. Announcements of selected awards will be made on or around June 17, 2022.
