Subject: **Preliminary Review of Recertification Package**

Dear Kristen:

Congratulations! The preliminary review of the recertification package for the Adams Morgan Partnership Business Improvement District (AMPBID), which was received on March 9, 2016, has been completed. The information required for extension of the BID term is in order. The Department of Small and Local Business Development (DSLBD) has tentatively scheduled the public hearing for the afternoon of Tuesday, June 21, 2016. Please let DSLBD know if this timeframe is acceptable to your Board of Directors.

Also, please feel free to contact me if you have any questions pertaining to the recertification process.

Best regards,

Ana Harvey
