# 1. Objective

The Department of Small and Local Business Development (DSLBD) is excited to announce that it will be accepting applications for the **Equity Impact Enterprise (EIE) Grants starting April 5, 2022 and closing April 22, 2022.**

Businesses must be certified with DSLBD as a Certified Businesses Enterprise (CBE) with the sub-designation “Equity Impact Enterprise” as of April 22, 2022, and maintain this designation through May 15, 2022, the intended date of awards, to be eligible to apply for an EIE grant.

DSLBD intends to award up to \$5,000 per grant from the total \$1,500,000 in available funding for Fiscal Year 2022. Award amounts will be determined based on the total number of applicants selected for an award.

## 7. Award Process

### A. Eligibility Review

Following the closing deadline(s), DSLBD will disqualify businesses that do not comply with the instructions in the RFA. The Agency reserves the right to accept or deny any or all applications if the Agency determines it is in the best interest of the Agency to do so. The Agency shall notify the business if it rejects a proposal. The Agency may suspend or terminate an outstanding RFA pursuant to its own grant making rule(s) or any applicable federal regulation or requirement.

## B. Eligibility Criteria and Review Process

DSLBD intends to select grant recipients based on timeliness, eligibility status, completeness of application and supporting documents and other requirements. DSLBD staff will review eligibility and provide feedback to businesses deemed ineligible or not yet eligible during the open grant period. The Director of DSLBD will make the final determination on the selection and approval of grant awards.

## 8. Award Information

Grant notification announcements of selected awards will be made on or around May 2, 2022.

Selected grantees will need to complete reimbursement expenditure reporting for up to \$5,000 of qualified business expenses between May 2, 2022, and May 6, 2022, and sign a grant agreement with DSLBD by May 6, 2022. The agency anticipates signing grant agreements between DSLBD and the grantees between May 2, 2022, and May 6, 2022. If agreements are unable to be executed within five (5) business days of grant award notification, for any reason, then the grant may be forfeited. The grant agreement will require additional documentation and reporting. This will include electronic fund transfer information (an ACH form) for the business bank account and final report about how the grant benefited the business.

Grantees selected in response to this Request for Applications are required to comply with Mayor's Order 2021-099, COVID-19 Vaccination Certification Requirement for District Government Employees, Contractors, Interns, and Grantees, dated August 10, 2021, and all substantially similar vaccine requirements including any modifications to this Order, unless and until they are rescinded or superseded.

Grantees are required to prepare a final report providing a description of the impacts of the grant.

Terms of disbursement shall be determined after applicants are selected for grant award. Grants will be disbursed in one sum. DC Government pays all invoices within thirty (30) days of receipt of invoice. **This timeline does not start until after an executed grant agreement is in place, a recipient is fully registered to receive payment, and invoice has been submitted, and the invoice is approved.**

DSLBD will notify successful applicants of its selection decision by email and send a Notice of Grant Award to the selected grant recipients. This will include additional post-award instructions.

Additional information may be required as part of a final grant agreement. An awardee that cannot provide these and other requested materials within five (5) business days of notification of grant award may be disqualified and DSLBD may award the grant to another applicant.
